

A beamer frame

Example 1. This is a beamer-style example. It is typeset in the `beamerexample`-environment.

Examples 2. This is a beamer-style list of examples. It is typeset in the `beamerexamples`-environment.

- (1) This is an `example.sentences` example. It is typeset the normal way.
- (2) This is another example.
- (3) And another one, also typeset the normal way.
